“Municipal Finance of Urban Infrastructure: Knowns and Unknowns”, Wolfensohn Center for Development at the Brookings Institution (March 2010).

#### **SPONSORED COUNTRY WORK:**

Bangladesh, United States Agency for International Development, 1982-1984. Examined various subnational tax possibilities in rural Bangladesh, especially the revenue potential of land-based taxes.

Jamaica, United States Agency for International Development, Jamaica Tax Structure Examination Project, 1983-1985. Examined the individual income tax and the system of payroll taxes in Jamaica, as part of a comprehensive tax reform project.

Indonesia, The World Bank, Fiscal Decentralization, 1986. Examined various subnational tax possibilities, especially the revenue potential of devolution of the property tax to local governments in Indonesia.

Hungary, The World Bank: Housing Finance Reform, 1988-1989. Examined the potential for local government revenue mobilization in Hungary, including the impacts of divestiture of government-owned housing on local government finances.

Egypt, United States Agency for International Development, Tax Reform, 1990. Examined the practice and effects of the system of payroll taxes in Egypt.

Hungary, The World Bank: Privatization and Local Government Finances, 1990. Examined the potential for local government revenue mobilization in Hungary, including the impacts of divestiture of government-owned enterprises on local government finances.

The Philippines, United Nations Development Program, Tax Reform, 1990-1992. Examined tax policy in the Philippines, focusing on the erosion of the tax base due to tax evasion.

Turkey, The World Bank, Tax Reform, 1991-1992. Examined tax policy in Turkey, focusing on the effects of the “Mass Housing Fund” on overall government budget balance and the operation of the financial sector.

China, The World Bank, Tax Reform, 1992. Examined overall Chinese economic policy, as part of preliminary work on a World Bank Loan.

Russia, United States Agency for International Development, Fiscal Decentralization, 1993. Examined the potential for local government revenue mobilization in Russia, including the impacts of divestiture of government-owned enterprises on local government finances.

Hungary, The World Bank, Housing Finance Reform 1994. Examined the potential for local government revenue mobilization in Hungary, including the impacts of divestiture of government-owned enterprises on local government finances.

Bangladesh, The World Bank, Fiscal Decentralization, 1995-1997. Examined the potential for local government revenue mobilization, especially in urban governments in Bangladesh.

Russian Federation, United States Agency for International Development, Tax Reform, 1998. Examined the impact of the various tax amnesties on central government revenue generation in the Russian Federation.

Indonesia, United States Agency for International Development, Fiscal Decentralization, 1999. Determined the prospects and problems of planned decentralization program in Indonesia, including the views of central and local government officials on the program.

Nigeria, Government of Nigeria, Fiscal Decentralization, 2000-2002. Examined the potential for government revenue mobilization in Nigerian local governments.

Jamaica, Government of Jamaica, Tax Reform, 2003-2005. Examined the individual income tax and the system of payroll taxes and suggested various reforms of the taxes, as part of a comprehensive tax reform project in Jamaica; also calculated the incidence of the overall system of taxes.

India, The World Bank, Fiscal Decentralization, 2003. Examined the effects of changes in stamp duties imposed on housing transactions, including the likely effects on stamp duty revenues of reduced government regulation of housing prices.

Nepal, The World Bank, Fiscal Decentralization, 2006. Determined the prospects and problems of planned decentralization program in Nepal.

Ukraine, The World Bank, Payroll Tax Reform, 2006. Examined the practice and effects of the system of payroll taxes in Ukraine, and suggested various reforms of the taxes.

Colombia, Government of Colombia, Payroll Tax Reform, 2007. Examined the practice and effects of the system of payroll taxes in Colombia, and suggested various reforms of the taxes.

Pakistan, The World Bank, Tax Reform, 2007-2009. Examined the practice and effects of corporate income taxation in Pakistan, and suggested various reforms of the tax.

South Africa, Government of South Africa, Intergovernmental Finance, 2008. Examined the revenue and distributional effects of the Provincial Equitable Share, the main source of provincial government finances in South Africa, and suggested various reforms of the transfer.

The Philippines, Asian Development Bank, Fiscal Decentralization, 2008-2009. Contributed to

the in-depth report on the progress of decentralization in the Philippines since the passage of the Local Government Code of 1991, including participating in workshops on decentralization designed to solicit stakeholder views on the decentralization and to give perspectives on "international best practices" in decentralization.

#### **PAPERS SUBMITTED FOR PUBLICATION:**
